6. Thinking about teaching and the English language

Please write between 100 and 250 words in response to the following.

- I. What aspects of the English language might cause particular difficulty, or be relatively easy, for foreign learners, do you think?
- II. Think of a language or skill you have learned – what made it good or not so good for you as a learner.
- III. Write briefly about personal qualities you have which would be useful and relevant to teaching English.
- IV. Why you would like to teach English as a foreign language?
